

Vol 2, No 3 (2010)

Mol Cell Pharmacol

Table of Contents

PharmSights

Cyclosporin A Enhances Cell Survival in Neural Precursor Populations in the Adult Central Nervous System <i>Jessica Hunt, Cindi Morshead</i>	ABSTRACT PDF 81-88
DP2 Receptor Antagonists: Novel Therapeutic Target for COPD <i>Karin J. Stebbins, Jilly F. Evans, Daniel S. Lorrain</i>	ABSTRACT PDF 89-96
Implications of a Newly Discovered DR5 Specific Antagonistic Peptide for Neurodegenerative Disorders <i>Mariette S. Heins, Wim J. Quax</i>	ABSTRACT PDF 97-100

Research Articles

Mitochondrial and Plasma Membrane Citrate Transporters: Discovery of Selective Inhibitors and Application to Structure/Function Analysis <i>Jiakang Sun, Sreevidya Aluvila, Rusudan Kotaria, June A. Mayor, D. Eric Walters, Ronald S. Kaplan</i>	ABSTRACT PDF 101-110
--	---

Reviews

G Protein-Coupled Receptor 87: a Promising Opportunity for Cancer Drug Discovery <i>Yanhong Zhang, Ariane Scoumanne, Xinbin Chen</i>	ABSTRACT PDF 111-116
The “Two faces” of Tumor Suppressor p53-revisited <i>Martin L. Smith, M.A. Suresh Kumar</i>	ABSTRACT PDF 117-119

FDA Corner

FDA Approves New Injectable Osteoporosis Treatment for Postmenopausal Women	ABSTRACT PDF 121
FDA Approves New Treatment for Late-Onset Pompe Disease	ABSTRACT PDF 121-122
FDA Approves New Combination Product Oral Contraceptive	ABSTRACT PDF 122
FDA Approves a Cellular Immunotherapy for Men with Advanced Prostate Cancer	ABSTRACT PDF 122-123
